TIC Summit India 2024

Navigating the future towards 2047: what are the key milestones?

February 20, 2024
(1700 Hrs onwards)

Venue: Hyatt Regency, Bhikaji Cama Place, New Delhi

Invitation and concept note

TIC Council India, the representative of the Testing Inspection and Certification (TIC) Sector, cordially invites you to its inaugural Summit on February 20, 2024, at the Hyatt Regency in New Delhi. The event will commence at 17:00 and will be followed by a gala dinner.

This exclusive event (by invitation only) offers a unique opportunity to engage in discussions with policymakers, regulators, and C-suite executives across various industries. The main focus will be on the pivotal steps required to actualize the Indian government’s vision known as “Viksit Bharat @2047”, and the role each stakeholder needs to play.

The goal of transforming India into a $30 trillion economy by its centennial independence anniversary is anticipated to create opportunities for innovation excellence hubs, smart cities, enhanced connectivity, and an increase in population prosperity. India aims to prioritize inclusive growth, with a special emphasis on small and medium-sized firms, women's empowerment, and indigenous industrial development. Green growth, with a concentration on renewable energy resource development, will be at the heart of this progress. The TIC Summit will discuss, among other topics, policy preconditions, safety, security, sustainability, and compliance of products and processes to protect domestic consumers and integrate into high-value global chains.

The TIC Summit will feature a series of keynote speeches from the Ministry, representatives of the Indian industry, the Indian standardization and accreditation community, international foundations, and the global TIC industry. Following these speeches, a discussion among these high-level speakers will be hosted to outline a collaboration roadmap.

Target Audience

The TIC Summit India will target c-suites of the TIC industry and their clients, as well as the relevant officials. Participation will only be possible through invitation. Expected number of participants is 120 max. The invitees will include:

1. TIC Council members’ c-suite leadership
2. TIC members’ major clients, such as industry and manufacturers
3. Industry and trade associations
4. High-level decision makers and regulators
5. Quality infrastructure partners (accreditation bodies, QCI, BIS)
6. Media and publishers

Running order

Event Format: Evening (starting 17:00 onwards) followed by gala dinner.
