HOW TO MAKE AN APPLICATION FOR THE AGRICULTURAL SUPERINTENDENT CERTIFICATION EXAMINATION – USA AND CANADA

To start the booking process, please go to the IFIA website at:

<http://www.ifa-federation.org/content/agricultural-superintendent-certification/application-process-for-non-ifa-members/>

BRANCH BOOKING FORM

If you do not have a branch booking code issued by IFIA, please complete the **Branch Booking Form**, using the link at the bottom of the webpage. Click on the 'submit' button when the form has been completed.

This form provides the address, invoicing and contact details for your branch which will be used for all communications regarding the IFIA examinations.

The contact person listed should be the person responsible for making examination appointments for candidates. You may wish to use a single country or regional contact, rather than having a contact for each branch - in this case please complete only one branch booking form, but make sure that the contact person chosen is able to make examination bookings for all candidates. The form only needs to be completed the first time you send inspectors for the examination.

When the Branch Booking Form has been submitted and checked, you will be sent a branch booking code - please keep this safely as you will need it for all inspector application forms and when making examination appointments.

If you have not received your branch booking code within ten working days, please contact exams@ifa-federation.org.

The branch booking code must be entered on all application forms, and included in all emails to exams@ifa-federation.org

APPLICATION FOR CERTIFICATION FORMS

Please submit your application for certification forms as early as possible in the booking month, so that all paperwork can be completed in good time. An application for certification form must be submitted for each candidate.

The Application for Certification Forms must be completed online at:

<http://www.ifia-federation.org/content/agricultural-superintendent-certification/application-process-for-non-ifia-members/>

Click on “Application for Certification: US and Canada” in the Online Forms box at the bottom of the page.

Fill in a form for each candidate, including the branch booking code. Make sure that the candidates’ names are completed correctly, and match the name as shown on their government issue photo ID. They will be required to show their ID when attending for examination, and the name on the application for certification form and on the government issued ID must match.

If you make a mistake, please **do not** submit a new form, but contact exams@ifia-federation.org for information on what to do.

TRAINING RECORDS

Training records must also be provided for all candidates taking the petroleum inspector certification examination for the first time. Please complete the Agricultural Superintendent Training Record Book, which can be downloaded from <http://www.ifia-federation.org/content/agricultural-superintendent-certification/>

Please email all required training records to exams@ifia-federation.org.

INVOICING

When your application for certification forms and training records (where applicable) have been received and checked, you will be issued with an invoice by IFIA Accounts (accounts@ifia-federation.org). The invoice must be paid in full before your applications can be approved and examination appointments arranged.

APPROVED APPLICATION FOR CERTIFICATION FORMS

When payment has been received and your applications have been approved, the approved Application for Certification Forms will be returned by email to the branch contact (as shown on the branch booking form). The email will come from exams@ifia-federation.org.

The approved form will show the superintendent's candidate/superintendent number. This number must be quoted when making the examination appointments. Each registration is valid for one year and allows for one examination appointment for the named candidate.

If you do not receive the Application for Certification Forms within 7 days of payment of your invoice, please contact exams@ifia-federation.org, quoting your branch code. Do not submit the Application for Certification Forms again.
